OC Waste & Recycling operates the above active and inactive municipal solid waste landfill facilities. Permits for the above landfills generally consists of a gas collection system, a condensate/leachate collection system, a flare station and other ancillary equipment necessary for daily operation of a landfill.

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance, unless such

permit has been renewed. Accordingly, the above facilities have submitted Title V renewal applications and requested that AQMD renew their Title V permits. The proposed permits incorporates updates to the facility information, as provided in the facility's Title V renewal application, as well as updates to all rules and regulations that are currently applicable to the facility. As required by Title V of the federal Clean Air Act, the Title V permits include all of the emission limits, applicable requirements and operating conditions imposed on the equipment. The facilities are required to certify compliance with the Title V permits in addition to recordkeeping and mandatory reporting of any deviation from the permit conditions.

The proposed permits are available for public review at AQMD, 21865 Copley Dr., Diamond Bar, CA 91765, and at the **Brea Branch Library** (for Olinda Apha Landfill permit), 1 Civic Center Circle, Brea, Ca 92821, **Main Library & History Center** (for Santiago Canyon Landfill permit), 407 E. Chapman Ave., Orange, CA 92866, **San Juan Capistrano Regional Library** (for Prima Deshecha Landfill permit), 31495 El Camino Real, San Juan Capistrano, CA 92675, and **Katie Wheller Library** (for Frank R. Bowerman Landfill permit), 13109 Old Mayford Road, Irvine, CA 92602. The proposed permits can also be viewed at www.aqmd.gov/webappl/publicnotices/search.aspx by entering the facility ID number. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. **Anyone wishing to comment on the issuance of the proposed permit should submit their comments in writing by September 20, 2011. Written comments should be submitted to:**

South Coast Air Quality Management District
Engineering and Compliance Office
